

The day will be broken into stations. The time spent at each station will depend on the number of participants in the camp.

OPENING - The U.S. Army Corps of Engineers will teach water safety to youth.

The adults will meet with the Friends of Dale Hollow National Fish Hatchery to better understand what we are trying to do.

STATION 1 – Ray Jordan, Tennessee Technological University will introduce us to snakes.

STATION 2 – Tennessee Wildlife Resources Agency will provide hands-on opportunities with Archery,

STATION 3 – Demonstrate dog care and handling.

STATION 4 – Tennessee Wildlife Resources Agency will provide on-hands opportunities with BB guns.

STATION 5 – Mr. Paul Boyce, Friends of Dale Hollow National Fish Hatchery will do a demonstration on fly fishing with some hands-on time.

STATION 6 – Holly Ingram, State Parks will help to better understand owls. She will bring a bird with her.
